

# Jets Over Kentucky Week

*Feel the heat!*

July 7-14, 2019

The Midwest region's hottest RC jet show!

## WHY PRE-REGISTER?

*(Pilots get to set up and have 5 days of open flying starting July 3)*

♥ Pre-registered pilots get free access to set up in 100-foot sections in two "Big Tops" (40x240) in the grass area. Spaces (10x40) can be rented for \$250 by individuals or groups of pilots in the remaining sections of the tent. Pilots who rented space last year will have first preference. Others desiring to rent a 40x40 must contact Lewis Patton. A tent rental form must accompany all tent requests. Pop up tents are also welcome; see Lewis for placement.

♥ FREE Friday pilot's dinner for registered pilots on the grounds (additional tickets are \$5 each).

♥ All pilots are in contention for numerous awards, including a special prize given away for flight tickets that will be presented at a banquet Saturday night.

*Pre-register one or more planes for only \$75. On-site registration is \$75.*
