Dear Mr. Mellott:

**Authorization Number: 2014-SPT-118319**

This is in response to your November 19, 2014 request for relief from the temporary flight restrictions detailed in Flight Data Center (FDC) Notice to Airmen (NOTAM) number 4/3621 as required by (Public Law 108-199) pertaining to Major Sporting Events.

Section 521 of Public Law 108-199, and 14 CFR Section 99.7, Special Security Instructions, prohibits issuance of waivers to the above mentioned NOTAM regarding major sporting events, except for the purposes of safety, security, broadcast rights holder or operational functions of the event or venue.

We have reviewed your request, and based on the submitted information and statements, we find that you do not meet the current parameters for a grant of relief of the subject flight restrictions.

A copy of this letter, and the submitted application, are on file in the OLE/FAMS, Airspace Authorizations Office, Transportation Security Administration, Arlington, Virginia, 22202. If you have any questions on this matter, please contact a TSA representative at 571-227-2071.

Sincerely,
