

*"Where Friendship and Flying  
are Equally Enjoyed"*

The dates are September 13 - 16, 2018

Location - The Lexington Model Airplane Club Field. 4200 Hedger Lane, Lexington KY

New this year: We will not be doing a noontime show due to lack of interest from the public. We have decided to try some other avenues to collect monies to donate to our local charities. If you would like to make a sizable donation to the club for this cause it will be tax deductible as we are a 501 C3 organization.

This is technically a Giant Scale Event but we will allow open flying on Thursday and Sunday. Giant scale specs apply on non-open flying days with some exceptions. Mono plane = 80 inch or larger wingspan, Bi-plane = 60 inch or greater wingspan. Warbirds with 70 inch wingspan or greater. Any size turbine jets.

Landing fee is by donation. Camper hookup is \$10 per night.

A Saturday night dinner for pilots and their guests will be available. Tickets will be \$12.00 per plate.

The field features a 650 foot paved runway and a parallel grass runway. The flying area is open and unrestricted. Onsite camping is permitted. Hookups are first come first served. No reservation are accepted.
