

F3S Jet Precision Aerobatics Contest

May 30-31, 2020 at Mac Hodges Field,
Andersonville, Georgia

4 classes of competition:

- F3S: Flying 2020 FAI F3S P sequence (only).
- SCALE JET: A center box sequence setup for the finest scale jet.
- EDF: A shortened version of the F3S sequence designed to work with electric jets.
- BASIC: This is the entry class into Jet Aerobatics.

You can fly one or multiple classes.
However, you may not fly the Basic class and the F3S class.

ENTRY FEE: \$40.00 for all entered classes. This is paid at the event.
